

YDR 41A

YDR41A has a jimmy-proof lock system in place to prevent forced or unauthorised entry through drilling, picking or bumping. Minimal door modifications are required to install the YDR41A biometric smart lock, which allows multiple modes of access such as fingerprint recognition and PIN code. When there's added security and convenience like the YDR41A, then you can have peace of mind.

This one answers all security concerns for Sliding or Double Doors.
